Look at you, now you are 2!

Early learning and childcare for your 2 year old child

There are more free places in nurseries and with approved childminders than ever before.

Some 2 year olds are entitled to a free early learning and childcare place which will mean they can attend a service for 600 hours in a full year.

The children who are able to receive this service are 2 year olds whose parent or carer receives:

- Any Income related element of Employment and Support Allowance
- Jobseeker’s Allowance (Income based)
- State Pension Credit
- Universal Credit
- Incapacity or Severe Disablement allowance
- Child Tax Credit (not Working Tax Credit) and if your income is less than £15,105*

Support under Part 6 of the Immigration and Asylum Act 1999

Does this sound like it might apply to you and your child?

If it does, you can speak with North Lanarkshire Council support staff on 01236 812281. They will check a few details with you to confirm you are eligible and will send you an application pack to start the ball rolling.

When it has been agreed that you are eligible they will send you details of approved services in the area(s) which suit you best. This will allow you to choose the service which meets your needs.

This could be with a registered childminder or independent nursery working with the Council to deliver this service or with a council run nursery.

Details of available services are listed on the council’s website: www.northlan.gov.uk/familyinformationservice

For more information you can also speak with your health visitor or visit: earlylearningandchildcare.scot
