Dear Sir

Town and Country Planning (Scotland) Acts
Planning application: 09/99818/FUL
Surface Water discharge – discharge of condition 9
St. Ambrose High School Campus, Coatbridge

I refer to our letter for 21 June 2011 registering an objection to this proposal on the basis of lack of information and your subsequent email of 27 June 2011 providing further details from the applicant.

I would confirm that SEPA is now in a position to **remove the objection** to this aspect of the proposal as the applicant has demonstrated that they do not intend to allow infiltration to groundwater from the proposed SUDS scheme.

If you have any queries relating to this letter, please contact me by telephone on 01355 574200 or e-mail at planning.ek@sepa.org.uk.

Yours faithfully

June Dawson
Senior Planning Officer
Planning Service
