(A company limited by guarantee)

Directors' Report **For the Year Ended 31 March 2018**

The directors present their report together with the audited financial statements for the year ended 31 March 2018.

Principal activity

The principal activity of the company is to capitalise upon urban regeneration and economic development opportunities within North Lanarkshire. In particular, the company undertakes commercial development projects and land reclamation initiatives that tackle areas of market failure, working in partnership with the private sector through joint ventures. The current focus of activity is on industrial development but the company operates across all sectors including office, residential, retail and mixed use development.

Directors

The directors who served during the year were:

Elaine Kemp
Allan Graham
Michael Coyle
Scott Duguid
Walter Dunlop
Calum Currie (appointed 30 July 2017)
Des Murray
Ronald Smith

Limited by guarantee

The company does not have share capital and is limited by guarantee. The liability of the members in the event of winding up is limited to £1 each.

Disclosure of information to auditor

Each of the persons who are directors at the time when this directors' report is approved has confirmed that:

- so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware, and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the company's auditor is aware of that information.

Post balance sheet events

Subsequent to the year end, the company invested £857,398, including £520,000 from work in progress, in a joint venture Gartcosh Estates LLP.

Auditor

The auditor, BDO LLP, will be eligible for reappointment in accordance with section 485 of the Companies Act 2006.

In preparing this report, the directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

Fusion Assets Limited
(A company limited by guarantee)

Directors' Report (continued)
For the Year Ended 31 March 2018

This report was approved by the board on 15 August 2018 and signed on its behalf.

Elaine Kemp
Director

Fusion Assets Limited
(A company limited by guarantee)

Directors' Responsibilities Statement
For the Year Ended 31 March 2018

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Fusion Assets Limited
(A company limited by guarantee)

Independent Auditor's Report to the Members of Fusion Assets Limited

Opinion

We have audited the financial statements of Fusion Assets Limited ("the company") for the year ended 31 March 2018 which comprise the statement of comprehensive income, the balance sheet, the statement of changes in equity and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2018 and of its loss for the year then ended;
- have been properly prepared in accordance with the United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Fusion Assets Limited

(A company limited by guarantee)

Independent Auditor's Report to the Members of Fusion Assets Limited (continued)

Other information

The directors are responsible for the other information. The other information comprises the information included in the directors' report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion;

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Fusion Assets Limited

(A company limited by guarantee)

Independent Auditor's Report to the Members of Fusion Assets Limited (continued)

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Fusion Assets Limited

(A company limited by guarantee)

Notes to the Financial Statements For the Year Ended 31 March 2018

1. General information

Fusion Assets Limited is a private company limited by guarantee and incorporated in Scotland. The address of the registered office is given on the company information page and the nature of the company's operations and its principal activities are set out in the directors' report.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with Section 1A of FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the company's accounting policies (see note 3).

The following principal accounting policies have been applied:

2.2 Associates and joint ventures

Associates and joint ventures are held at cost less impairment.

2.3 Turnover

Turnover comprises grant income released to the statement of comprehensive income in the period in respect of the ongoing development projects.

2.4 Tangible fixed assets

Tangible fixed assets under the cost model, other than investment properties, are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Office equipment	-	20%
------------------	---	-----

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the statement of comprehensive income.

Fusion Assets Limited

(A company limited by guarantee)

Notes to the Financial Statements **For the Year Ended 31 March 2018**

2. Accounting policies (continued)

2.5 Investment property

Investment property is carried at fair value determined annually by valuers and derived from the current market rents and investment property yields for comparable real estate, adjusted if necessary for any differences in the nature, location or condition of the specific asset. No depreciation is provided. Changes in fair value are recognised in the statement of comprehensive income.

2.6 Valuation of investments

Investments held as fixed assets are shown at cost less provision for impairment.

2.7 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Costs include all direct costs.

At each balance sheet date, stocks are assessed for impairment. If stock is impaired, the carrying amount is reduced to its selling price less costs to complete and sell. The impairment loss is recognised immediately in profit or loss.

2.8 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

2.9 Financial instruments

The company only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in non-puttable ordinary shares.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the statement of comprehensive income.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate of the recoverable amount, which is an approximation of the amount that the company would receive for the asset if it were to be sold at the balance sheet date.

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

2.10 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

Fusion Assets Limited

(A company limited by guarantee)

Notes to the Financial Statements **For the Year Ended 31 March 2018**

2. Accounting policies (continued)

2.11 Grants

Grants are accounted under the accruals model as permitted by FRS 102. Grants relating to expenditure on tangible fixed assets are credited to the statement of comprehensive income at the same rate as the depreciation on the assets to which the grant relates. The deferred element of grants is included in creditors as deferred income.

Grants of a revenue nature are recognised in the statement of comprehensive income in the same period as the related expenditure.

Grants awarded for specific development projects are credited to deferred income to be released to income when the specific development projects are sold or impaired. Other grants are credited to statement of comprehensive income in the period to which they relate.

2.12 Pensions

Defined contribution pension plan

The company operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the company pays fixed contributions into a separate entity. Once the contributions have been paid the company has no further payment obligations.

The contributions are recognised as an expense in the statement of comprehensive income when they fall due. Amounts not paid are shown in accruals as a liability in the balance sheet. The assets of the plan are held separately from the company in independently administered funds.

2.13 Current and deferred taxation

The tax expense for the year comprises current and deferred tax. Tax is recognised in the statement of comprehensive income, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Fusion Assets Limited
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 March 2018

2. Accounting policies (continued)

2.14 Deferred income

Deferred income also consists of amounts contributed to the company to fund specific development projects, to be recognised in the income statement upon sale or impairment of the specific development projects.

3. Judgements in applying accounting policies and key sources of estimation uncertainty

In preparing these financial statements, the directors have made the following judgements:

Determine whether there are indicators of impairment of the company's fixed asset investments and stock. Factors taken into consideration in reaching such a decision include the economic viability and expected future financial performance of the asset.

4. Grant Income

The total turnover of the company for the period arises from the release of deferred income against operating costs in the period. This relates wholly to activities undertaken in the United Kingdom.

The grant income recorded in the year is as follows:

	2018 £	2017 £
Impairment over land held for development	89,833	1,363,987
Release of deferred income held less than one year in respect of the newhouse land transferred from project to investment property under construction	-	206,907
Release of deferred income held greater than one year in respect of the newhouse land transferred from project to investment property under construction	-	4,175
	89,833	1,575,069
	89,833	1,575,069

5. Other operating income

	2018 £	2017 £
Gain on sale of investment	97,252	-
	97,252	-
	97,252	-

Fusion Assets Limited
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 March 2018

6. Operating (loss)/profit

The operating (loss)/profit is stated after charging:

	2018	2017
	£	£
Depreciation of tangible fixed assets	750	-
Fees payable to the company's auditor for the audit of the company's annual financial statements	7,495	7,700
Fees payable to the company's auditor for the provision of non-audit services	1,300	1,300
Defined contribution pension cost	16,777	11,764
Provision for impairment of land under construction	89,833	1,363,987

7. Employees

Payroll services are provided by the parent company NLC, and employee costs are recharged to the company.

The average monthly number of employees, including directors, during the year was 1 (2017 - 1).

8. Directors' remuneration

	2018	2017
	£	£
Directors' emoluments	14,986	13,685

9. Interest receivable

	2018	2017
	£	£
Other interest receivable	4,498	5,450

10. Interest payable and similar charges

	2018	2017
	£	£
Other interest payable	-	3,554

Fusion Assets Limited
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 March 2018

11. Taxation

	2018 £	2017 £
Current tax on (loss)/profit for the year	-	1,048
Adjustments in respect of previous periods	(1,048)	-
Total current tax	(1,048)	1,048
Deferred tax		
Origination and reversal of timing differences	-	12,935
Total deferred tax	-	12,935
Taxation on (loss)/profit on ordinary activities	(1,048)	13,983

Factors affecting tax charge for the year

The tax assessed for the year is higher than (2017 - higher than) the standard rate of corporation tax in the UK of 19% (2017 - 20%). The differences are explained below:

	2018 £	2017 £
(Loss)/profit on ordinary activities before tax	(87,855)	22,866
(Loss)/profit on ordinary activities multiplied by standard rate of corporation tax in the UK of 19% (2017 - 20%)	(16,692)	4,573
Effects of:		
Expenses not deductible for tax purposes	30,757	5,668
Income not taxable for tax purposes	(18,478)	-
Losses carried back	1,036	-
Chargeable gains	3,377	-
Adjustment to tax change in respect of previous periods	(1,048)	-
Short term timing difference leading to an increase in taxation	-	3,742
Total tax charge for the year	(1,048)	13,983

Factors that may affect future tax charges

Fusion Assets Limited
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 March 2018

11. Taxation (continued)

Reductions in the UK Corporation tax rate from 20% to 17% (19% effective from 1 April 2017 and 17% effective from 1 April 2020) have been substantively enacted. This will impact the company's future tax rate accordingly. The deferred tax asset at 31 March 2018 has been calculated based on the rates substantively enacted at the balance sheet date.

12. Tangible fixed assets

	Office equipment £
Cost or valuation	
Additions	3,749
At 31 March 2018	3,749
Depreciation	
Charge for the year	750
At 31 March 2018	750
Net book value	
At 31 March 2018	2,999
At 31 March 2017	-

Fusion Assets Limited
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 March 2018

13. Fixed asset investments

	Investment in participating interests £

Corporation tax	(1,090)	1,048
Other creditors	1,382	1,382
Accruals	32,607	246,394
Deferred income	3,458,734	3,241,448
	3,492,101	3,490,272

Deferred income includes grant monies receivable from North Lanarkshire Council in respect of projects included in work in progress.

In addition, £89,833 (2017 - £1,570,894) of deferred VDLF grant income was released in respect of provision for impairment for land under construction recorded in the year and on transfer of land under construction to investment properties.

19. Creditors: Amounts falling due after more than one year

	2018 £	2017 £
Deferred income	2,314,336	2,314,336
	2,314,336	2,314,336

Deferred income due after more than one year consists of monies received from Boots plc. The deferred income will be released to the statement of comprehensive income as relevant expenditure is incurred by the company.

During this year, £Nil (2017 - £4,173) of deferred Boots grant income was released in respect of provision for impairment for land under construction recorded in the year and on transfer of land under construction to investment properties.

Fusion Assets Limited
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 March 2018

20. Deferred taxation

	2018 £
At beginning of year	35,952
Movement in the year	-
At end of year	35,952

The deferred tax asset is made up as follows:

	2018 £	2017 £
Tax losses carried forward	35,952	35,952

21. Reserves

Other reserves

The other reserve balance represents the Scottish Enterprise contribution on incorporation of the company after any release of funds to the reserves account for those projects funded out of this contribution but transferred out of the company.

Profit and loss account

The profit and loss account represents cumulative profits or losses, net of impairment and other adjustments.

22. Company status

The company is a private company limited by guarantee and consequently does not have share capital. Each of the members is liable to contribute an amount not exceeding £1 towards the assets of the company in the event of liquidation. At 31 March 2018 there was 1 member: North Lanarkshire Council.

23. Contingent liabilities

The company has secured grant funding from North Lanarkshire Council amounting to £9,311,264 (2017 - £9,004,146). There are no repayment terms in respect of this funding other than by default of the grant conditions. It is the directors' opinion that the likelihood of grant funding being repayable at the reporting date and up to the date of signing is remote.

(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 March 2018

24. Pension commitments

The company operates a defined contribution pension scheme, the assets of which are held separately from those of the company in independently administered funds.

The pension cost charge represents contributions payable by the company to the scheme during the period and amounted to £16,777 (2017 - £11,764). Contributions totalling £6,218 (2017 - £Nil) were payable to the scheme at the balance sheet date.

25. Related party transactions

The company's ultimate parent and 100% controlling party is North Lanarkshire Council. The financial statements of Fusion Assets Limited form part of the consolidated accounts for North Lanarkshire Council and on this basis have taken advantage of the exemption under FRS 102, Section 33 'Related Party Transactions', in relation to transactions with its controlling entity.

At the year end a balance of £405,350 (2017 - £385,350) was due from Drumpellier Business Park LLP, an entity in which Fusion Assets Limited is a member. During the year an amount of £20,000 (2017 - £70,000) was advanced to this LLP.

26. Post balance sheet events

Subsequent to the year end, the company invested £857,398, including £520,000 from work in progress, in a joint venture Gartcosh Estates LLP.

27. Controlling party

The parent undertaking of Fusion Assets Limited is North Lanarkshire Council, which is also the ultimate controlling party. The consolidated accounts are available to the public and may be obtained from its registered office.
