

# Blue Badge Application Form

## Organisational Blue Badge

Please complete all relevant sections of the application form and supply the appropriate documents to confirm the organisation's address, identity and evidence of eligibility. When completing this form you may find useful information on Blue Badge eligibility at: [www.mygov.scot/apply-blue-badge/eligibility](http://www.mygov.scot/apply-blue-badge/eligibility).

The local authority may refuse to issue a badge if you do not provide adequate evidence that the organisation meets the eligibility criterion.

### Applying for an Organisational Blue Badge

The following questions are intended for organisations involved in the care of disabled people who are seeking a Blue Badge for vehicle(s) which are to be used to carry disabled people who would themselves qualify for an individual Blue Badge.

An 'Organisation' is defined in legislation as meaning an organisation concerned with the care of disabled persons to which a disabled person's badge may be issued.

Organisational badges will therefore only be issued to an organisation which:

- cares for and transports disabled people who would meet one or more of the eligibility criteria for an individual Blue Badge; and
- has a clear need for an organisational badge rather than using the individual Blue Badge of the people it is transporting.

Organisational badges must not be used for the employee's benefit when they are carrying out other business on behalf of the organisation. In all circumstances, badges will be supplied to the organisations or departments rather than individual staff members.
