# Your Garden Awards - Competition

The search is on to find the **best** garden in North Lanarkshire and this could be your chance to grab the title.

Every year the “Your Garden” awards celebrate the passion and hard work that has created some stunning gardens across North Lanarkshire and helped improve the local environment.

So if you or your neighbours have a garden to be proud of, then why not take part in this year’s competition?

Applications can be made by individuals or groups or you can nominate a neighbour, relative, friend or group of residents who you consider to have an award winning garden.
