Portland School moving to Skills Academy

Dear Parent/carers

You are receiving this letter as your child is due to start at Portland School from August 2022.

You may be aware that as part of a wider review of our ASN schools, Portland School is due to relocate to a new school. I can now advise that the move will take place later this session and we will keep you updated on the progress. This will allow the school to develop a robust transition programme with our young people, families and stakeholders from August 2022.

I would like to take this opportunity to welcome yourself and your child to Portland School and wish them every success for the future.

Yours sincerely
