North Lanarkshire Council offers several models for 1140 hours provision. The council is in a framework agreement with a number of partner providers (private, voluntary and independent nurseries and childminders), and this offers flexibility for parents/carers in how they use their 1140 hours.

Council Nurseries offer the following options:

Term Time 38 weeks: 6 hours per day, over 38 weeks of an academic school year.

Full-Time 48 weeks: 4 hours 45 minutes sessions per day, 5 mornings, 8.00am to 12.45pm or 5 afternoons, 1.15pm to 6.00pm.

Parents/carers can select for example a provider that offers AM and PM placements within a Full-Time provider but only select to utilise it over 38 weeks. The remainder of funding may be utilised for a split placement with another provider.

Mixed Models: Offering a choice of Term Time sessions or Full-Time sessions.

NB 48 week establishments will close for the following public holidays; 1st and 2nd January, Good Friday and Easter Monday, Mayday Holiday, Friday and Monday of May Weekend Holiday, Fair Monday, Friday and Monday of September Weekend Holiday, Christmas Day, and Boxing Day. They will also close during the 3 days between Christmas and New Year and In-service days.

Funded Providers: these include childminders and private, voluntary & independent nurseries that have entered into a framework agreement with North Lanarkshire Council. These funded providers can offer a variety of models between 38-51 weeks per year. Funded providers should be approached directly for details of the models they provide.

Split Placements: Parents/carers can choose a split placement allowing funding to be split between 2 providers. An example of this is a child attending 2 council establishments, council and a funded provider or 2 funded providers. A fully completed application form **MUST** be submitted to BOTH ELC provider that you wish your funding to be split between.

Your child's details will be kept safe and treated in the strictest confidence. **Please note we are required to use your child's name as it appears on their birth certificate.**

PART 2: Pattern of Attendance Requested

Alternative patterns of attendance may be available within each setting. Parent/carers should familiarise themselves with the option offered at the ELC provider of their choice and should discuss their preferences directly with the provider. You can choose to utilise your full statutory funding within one provider or split between 2 providers. Depending on their birth date, children will receive at least 4 terms of funded ELC provision before attending school. The funding dates can be found at www.northlanarkshire.gov.uk/ELC

NB: Funding is restricted to no more than 30 hours per week, and 10 hours per day.

Unfortunately no guarantee can be given on your choice and pattern of attendance, but we will do our best to accommodate your request.

PART 3: Your ELC Provider

Only one application should be submitted per child, except in cases where a split placement is being requested, when a separate application should be submitted for each ELC provider.

It is mandatory that 3 choices of ELC provider are selected in order of preference. If a place is not available in your first choice, your application will be considered by your second choice and so on. **You must think carefully about your second and third choice of providers as not all providers offer the same type of provision.**

If you are not offered a place with your first choice provider, you will remain on their waiting list for **this academic year only.**

PART 4: How do you wish your placement prioritised?

This is to determine how you wish us to prioritise your application, i.e., model or provider.

- By selecting **provider** as your priority, you are happy to accept any model offered by your chosen provider; the model option is therefore not your preferred priority.
- By selecting **model** as your priority, you will only consider the model identified by your chosen provider; the provider option is therefore not your preferred priority.

PART 5: Current ELC Provider

It is important to know if your child is currently attending another ELC setting, possibly in an under 3 placement, as this will support the transition process.

PART 6: Family details, Contact 1, 2 & 3

Please note that under the provisions of Part 1 of the Children and Young People (Scotland) Act 2014 it may be necessary for the ELC provider to keep both parents advised separately of progress and ELC provider's events. Speak to the person in charge/Manager of your ELC provider if you have any queries about this.

Parent/carer must ensure that all mandatory fields are completed. Carers (grandparents, childminders etc.) should always be listed as a contact.

Please provide details of other children who reside at the child's address.

Some General Information

All Early Learning & Childcare Providers are **non-denominational** even when nursery classes are located in denominational primary schools. This means that the place you are offered may be based in a school which your child will not attend for primary education. Your application will not be given any additional priority because your child will attend the primary school where the nursery class is located.
