Dear [REDACTED]

### **ASSET TRANSFER UNDER THE COMMUNITY EMPOWERMENT ACT**

Further to the asset transfer request made by Airdrie Harriers in relation to the site of the former Coatbridge Outdoor Sport Centre and to the recent conversation with my colleague Gary Stark regarding an extension of the 6-month period allocated to authorities for the decision-making stage of the process.

This letter is to formally confirm, that an extension has been agreed between all community transfer bodies who have submitted a community asset transfer request for the site. The new date for North Lanarkshire Council to make the decision about the applications received will be the 3 February 2025.

If you have any questions about this or the asset transfer process, please contact Gary Stark by email: [starkga@northlan.gov.uk](mailto:starkga@northlan.gov.uk) or on the telephone number listed above.

Yours sincerely

**Stephen Penman**
