

Statement of Reasons for Proposing to Make Disabled Persons' Parking Places Order

The Disabled Persons' Parking Places (Scotland) Act 2009 places a duty on local authorities to promote the proper use of parking places that are designated or provided for use only by disabled persons' vehicles. The 2009 Act makes provision for circumstances in which a local authority must start the statutory procedure for the making of a 'disabled street parking' order made under the Road Traffic Regulation Act 1984.
