Construction Parking

To support construction of the new St Stephen's Community Hub, a temporary car park for construction vehicles has been created on the site of the former Sikeside Primary School football pitch. The car park, accessed from Shiel Place, will help manage construction traffic and reduce pressure on parking in the surrounding area.

The car park will be used by construction vehicles only. Access and exit will be carefully managed to avoid any overlap with school drop-off and pick-up times.

The car park is now complete and will be in use from Tuesday 24 March. If you have any questions or concerns, please feel free to contact Ross Kobyłka on 07918 907823 or ross.kobylka@morrisonconstruction.co.uk.
