

Annex 1 - Community Profiles Data Sources

Source ID	Title	Data source definition	Measure definition	Owner	Data source geography	Last update
1	Alcohol related hospital admissions	General acute inpatient and day case stays with diagnosis of alcohol misuse in any position. All rates have been standardised against the European standard population(ESP2013) and 2011-base population estimates.	Count Percentage	Public Health Scotland	Intermediate Zone	2023
2	Attendance Allowance for over 65's	Attendance allowance is a state benefit for people who are over pension age and who have care needs.	Count Percentage	DWP	Council Ward	2025
3	Attendance rate	<p>The attendance rate is calculated by dividing the number of present openings by the number of possible openings and it's shown as a percentage.</p> <p>The overall attendance figure for North Lanarkshire combines the ASN, Primary and Secondary categories.</p> <p>Some ward codes will show null for previous years - this is most likely because the school no longer exists. 5 years of data have been included but this can be reduced to just one or two years.</p> <p>Stages have been included in the aggregated dataset but if not necessary they can be removed. Primary should include P1-P7 and Secondary S1-S6.</p>	Percentage	NLC	Council Ward	2025

4	Babies exclusively breastfed at 6-8 weeks	Number of babies reported by parent as being exclusively breastfed at 6-8 week review; 3-year rolling average number and percentage of all babies with a valid feeding status recorded at 6-8 week review.	Count, Percentage	Public Health Scotland	Intermediate Zone	2022
5	CACI Acorn - Profiling Data	CACI Acorn is a geodemographic segmentation tool developed by CACI Limited that categorizes the UK's population into various demographic types. It analyses data from multiple sources to provide insights into customer demographics, lifestyles, and behaviours, helping businesses tailor their strategies effectively.	Count Percentage Rate	CACI	Postcode	2024
6	Children in Relative low Income Families	The Children in low-income families' local area statistics (CiLIF), provides information on the number and proportion of children living in Relative low income by ward and NL level. Relative low-income is defined as a A family in low income before housing costs (BHC) in the reference year. A family must have claimed one or more of Universal Credit, Tax Credits or Housing Benefit at any point in the year to be classed as low income in these statistics	Count Percentage	DWP	Council Ward	2023/24
7	Claimant Count by Age-Group	The number of people claiming Jobseeker's Allowance plus those who claim Universal Credit who are out of work by age-group	Count Percentage	NOMIS	Council Ward	2025

Source ID	Title	Data source definition	Measure definition	Owner	Data source geography	Last update
8	Community Boards Boundaries	Boundaries dividing North Lanarkshire into nine areas, whose purpose is to facilitate community involvement and allow local community-led decision-making	Area (square km)	NLC	Community Board	2025
9	Community Digital Services	Count of community services	Count	NLC	Community Board	2022
10	Deaths, Aged 15 - 44 Years	Deaths from all causes (ages 15-44 years), 3 year rolling average number and directly age sex standardised rate per 100,000 population. All rates have been standardised against the European standard population (ESP2013). Deaths assigned to year based on death registration date.	Count Percentage	Public Health Scotland	Intermediate Zone	2022
11	Dwellings and Single Adult Households	Number of dwellings and percentage of dwellings subject to a Council Tax discount of 25 per cent. This may include, for example, dwellings with a single adult, dwellings with one adult living with one or more children, or with one or more adults who are 'disregarded' for Council Tax purposes.	Count Percentage	NRS	Council Ward	2024
12	Dwellings by Council Tax Band	Count of dwellings by Council Tax Band; A,B,C,D,E,F,H	Count Percentage	NRS	Council Ward	2024

Source ID	Title	Data source definition	Measure definition	Owner	Data source geography	Last update
13	Early Deaths from Cancer, Aged <75 Years	Deaths from cancer (<75 years), 3 year rolling average number and directly age sex standardised rate per 100,000 population. All rates have been standardised against the European standard population (ESP2013).	Count Percentage	Public Health Scotland	Intermediate Zone	2022
14	Early Deaths from Coronary Heart Disease (CHD), Aged <75 Years	Deaths from coronary heart disease (CHD), (<75 years), 3 year rolling average number and directly age sex standardised rate per 100,000 population. All rates have been standardised against the European standard population (ESP2013). Measure: Age-sex standardised rate per 100,000.	Count Percentage	Public Health Scotland	Intermediate Zone	2022
15	Employment and Support Allowance	Claimant count	Count Percentage	DWP	Council Ward	2025
16	Ethnicity	Count of population by ethnic group	Count Percentage	Scottish Government	Census Output Area (COA)	2022
17	Free School Meal Roll	Number of pupils per school on Free School Meal roll	Count Percentage	NLC	Schools	2025

Source ID	Title	Data source definition	Measure definition	Owner	Data source geography	Last update
18	Greenspaces, playparks and country parks	Data showing location of parks and country parks as well as: usage, condition, maintenance, parking, accessibility	Count Area (Hectares) Rating	NLC	Postcode	2024
19	Healthy Birth Weight	Appropriate weight (10 to 90 percentile) live full-term singleton birth, expressed as a 3-year rolling average number and percentage of all live singleton births. It is important to be able to differentiate between babies who are light because they are preterm and those who are inappropriately light after adjustment for gestational age at birth. The data in the appropriate birthweight for gestational age tables have been produced by comparing the birthweights and gestations from SMR02 with a set of standard tables based on the UK-WHO Child Growth Standards developed by the Royal College of Paediatrics and Child Health.	Count Percentage	Public Health Scotland	Intermediate Zone	2022
20	Household Type	Count of dwellings by type	Count Percentage	NRS	Census Output Area (COA)	2022
