

# Progress Update

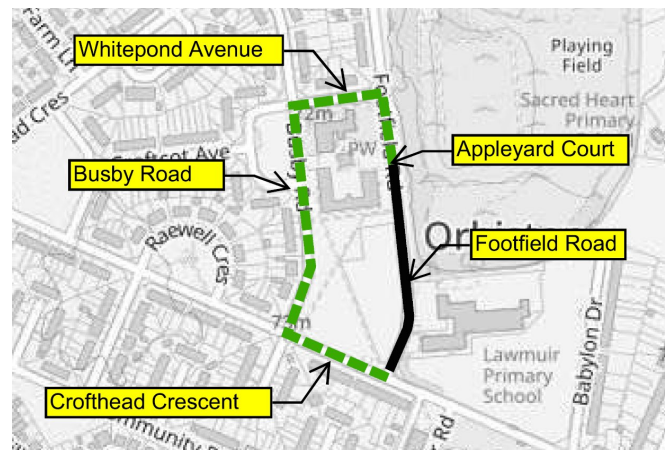

June 2026

We are pleased to report that the demolition works have progressed well on the project. As you may have noticed, the old Lawmuir Primary School building demolition is now complete, and we are preparing to commence construction of the new car park and playground during the school summer holidays. Demolition is ongoing at the old Sacred Heart Primary School site.

As part of the construction of the new footpath adjacent to the new car park, we will be closing Footfield Road from 29<sup>th</sup> June to the 31<sup>st</sup> July. Any traffic will be diverted via Busby Road. We apologise for any inconvenience this may cause in advance. We are carrying this out during the summer holidays to cause minimal disruption to the school.

CCTV cameras and security teams are ongoing with monitoring both facilities which are linked to Police Scotland. We have had some security breaches recently and are currently in contact with Police Scotland regarding these incidents.

Should you wish to discuss any aspects of the project, please feel free to visit us at our offices. Please note we are moving our office and welfare area over to Sacred Heart week commencing 22<sup>nd</sup> June.

Thank you as always for your continued support and we will continue to keep you up to date with regular newsletters.
