Subject: Amendment to Community Asset Transfer Offer – Galaday Pitches

Following further consideration by our charity, we would like to formally amend our offer as part of our Community Asset Transfer application. Having reviewed our position, we wish to revise our offer to £20,000 for the purchase of the land situated behind Burnhead Community Centre, known as the Galaday pitches.

We remain committed to working collaboratively through the Community Asset Transfer process and believe this revised offer reflects both our financial position and our continued commitment to securing the site for the benefit of the local community.

We appreciate your consideration of this amended offer and look forward to continuing discussions. Should you require any further information or clarification, please do not hesitate to contact us.

Yours sincerely,

Chair
