To enable consent to withdraw from school to be granted, an outline plan of the educational provision you intend to make is required. Your proposal is at the early stages so may not be detailed, but please provide as much information as possible for each of the headings below.

How will the education your child receives help to prepare them for life in modern society and achieve their full potential. If your child is of secondary age, please include information on your plans for certification/qualifications?

Please describe the approach that will be used for home education

How will your education plan take account of, and support your child's individual needs, learning strategies, attitudes and aspirations?

What resources and materials will your child have access to (please include specific details of websites, online resources and tutors)?

Please describe the range of activities your child will be involved in and how they will be stimulated by their learning experiences

What opportunities will your child have to interact with other children and adults?

How will you incorporate physical activity into your educational plan?

Using either the sample timetable or the text box below please provide an outline educational plan
